CE Reporting

On the View/Update screen below the CE Report Instructions is a list of the courses that you have reported. When courses are audited, if a course is denied approval that is indicated in red and the hours are subtracted from the approved hours. There is a summary for reported and approved hours below the list.

At the bottom of the screen is a form to enter new courses. You should upload your course certificate so all the information required to verify the course will be available. After you have entered all fields and selected the certificate file (PDF), click the Add button to upload the certificate and save the data. The new course will be displayed in the detail list at the top of the screen.
